CIRCULAR LETTER #2012-19

Form for Resolution of Township Indebtedness

COUNTY ENGINEERS/SUPERINTENDENTS OF HIGHWAYS
HIGHWAY COMMISSIONERS
CONSULTING ENGINEERS

Per Section 9-2.01(e) of the Bureau of Local Roads and Streets Manual, a township/road district may fund a project from a non-Township Bridge Program (TBP) source of county or township/road district funds and then pledge its future TBP allotments to repay this indebtedness. This situation requires a Resolution of Indebtedness to be passed by the county board and approved by the applicable IDOT District.

To facilitate this process, an official IDOT form, BLR 09215, has been created for this Resolution of Indebtedness. Please begin using this form for township/road district indebtedness situations.

If you have questions, please contact Leigh Ann Lareau at LeighAnn.Lareau@illinois.gov or 217/785-5178.

Sincerely,

A handwritten signature in cursive script that reads "James K. Klein".

James K. Klein, S.E., P.E.
Acting Engineer of Local Roads and Streets
